It was another productive day, with crews completing more control line and mopping up the interior of the Swedes Fire. As this fire is burning in the same area as the Wall Fire from 2017, a tree falling crew is at scene to remove dead and other hazard trees. All air resources have been released from the incident, and damage assessment is ongoing. Drive carefully and watch for heavy equipment and large vehicles near the fire.

Evacuations: Per the Butte County Sheriff's Office, as of 10:00 am Monday, September 9, all evacuation warnings for the Swedes Fire have been lifted, and all roads in the area are open.
